TAKE ACTION!

Defend the defenders of water and land

By **February 25, 2024** (i.e., two years after the Guapinol Eight were released), we want to send **32,000 signatures** (1,000 for each of the 32 people charged at the Guapinol camp) on a letter to the Honduran ambassador to Canada.

Your signatures will add weight to the letter, which presses the Government of Honduras to:

- **Bring to justice** everyone involved in murdering the three Guapinol defenders
- **Fairly recompense** the Guapinol Eight and their families
- **Better protect** all Honduran human rights and environmental defenders
- **Stop** all mining activities in Carlos Escaleras National Park and restore it
- **Cancel** all irregularly granted mining permits

Let's stand together! Sign and share!

1. **Sign a paper copy of the letter to the ambassador** in your parish/school. Or sign it online by scanning this QR code or visiting devp.org/act.
2. **Please send all signed letters** to the address below or to action@devp.org.

From Honduras to home

As you support the Honduran defenders, also consider pitching in for the environment closer to home. Organize a neighbourhood cleanup. Pick and publicize a place and time; bring gloves and garbage bags; and turn it into an opportunity to promote the campaign and collect signatures.

DEFENDING WATER AND LAND IN HONDURAS

Around the world, people who defend the environment, water and land are often threatened, criminalized, imprisoned or even killed. **Honduras** is no exception and is one of the five most dangerous countries in the world in this respect.

Since 2015, the communities of Guapinol and the San Pedro sector have been trying in vain to have an open-pit iron mine shut down. The permit for the mine in the Montaña de Botaderos Carlos Escaleras National Park was irregularly granted to the *Inversiones los Pinares* company.

By 2018, pollution from the mine had made the Guapinol River's water unfit for consumption. So, the riverside communities mobilized and set up the Guapinol Camp for Water and Life. After 88 days of peaceful demonstrations, the camp was violently dismantled by the police and armed forces. 32 of the defenders were charged with various contrived offences. Eight of them, who came to be called the Guapinol Eight, were unjustly detained for 914 days.

Since January 2023, three defenders from Guapinol have been killed, adding to the heavy toll of more than 135 defenders murdered in Honduras since 2014.

Out with the Mines!

Standing with the Defenders of Guapinol

Development and Peace — Caritas Canada has been asked by its partner ERIC-Radio Progreso to raise awareness of the tragic plight of the communities of Guapinol and the San Pedro sector. We stand with them as they defend their right to water and fight to obtain:

- **Justice**
- **Reparations and protection**
- **The cancellation of the irregularly granted mining concession**
- **The restoration of the national park**

“The Government of Honduras must act diligently and suspend these extractive activities, which are carried out illegally and with total disregard for the environment.”
— **Elvin Hernández, human rights investigator,**
ERIC-Radio Progreso

A question of Water and Life for Daniel

José Daniel Márquez, a 44-year-old farmer, is one of the Guapinol Eight who were detained for over two years. Their “crime” was defending the Carlos Escaleras National Park, home to the sources of the Guapinol and San Pedro rivers. Worryingly for the community, the Guapinol has also been considerably depleted since 2018, even running dry in places. The situation remains very tense for the Guapinol defenders. They continually fear for themselves or their children. Daniel no longer dares to go out alone.

“In our country, the authorities only listen to big companies that wield economic power. The people who protect water sources suffer because they are not listened to. On the contrary, they are condemned, persecuted, imprisoned and, in the worst cases, killed. It is urgent to cancel all mining in this area of our park. The company must be stopped. All the damage it has caused to our rivers and mountains must be repaired.”

Whatever you do to others...

Jesus is a fair king. In today's Gospel reading, He tells us how He will judge people at the end of time. Those who were good to God will be saved, and those who were not good to Him will be condemned. Whoever is good to others is good to God, and whoever is unkind to others is unkind to God.

Our Lord cares so much about His people that He will judge us according to how we treat each other. Jesus is the Good Shepherd and the King, and He cares about every one of us specially. Imagine a king who came to see every one of his subjects to make sure that they were doing okay. Well, Jesus does more than that- He died for us on the cross! He looks after us all the time, and He says that anyone who is unkind to us will be judged as being unkind to Him.

Christ the King is the just judge. How do you think you will be judged when you die, or at the end of time? Are you kind to others? Do you ever think about how you would treat Jesus if He were here? Do you treat other people the way you would treat Jesus?

Answers to front page: I myself will pasture them. 1. you gave me food, 2. you gave me drink, 3. you welcomed me, 4. you clothed me, 5. you cared for me, 6. you visited me.
